ABOUT

Being an Angular developer with 5+ years of experience, I create high-performing web applications with clean and organized architecture. I've worked extensively on enterprise SaaS products in travel accounting and audit & risk management. I'm also interested in exploring other JavaScript and TypeScript frameworks and enthusiastic about learning new technologies. I hold a Master of Computer Applications (MCA) degree and thrive in fast-paced, growth-oriented environments.

TECHNICAL SKILLS

- JavaScript | TypeScript
- Angular
- HTML | CSS | SCSS
- Ionic Framework (V3 with Angular4)
- Git
- RxJs
